PROFESSIONAL EXPERIENCE

Product Head | KnowledgeCity Inc. | Nov 2024 – Present

Leading enterprise learning and skills-assessment product portfolio

Strategic Leadership:

- Drive product strategy and execution for **enterprise learning platform** serving Fortune 500 clients
- Own end-to-end product vision, roadmap, and delivery for **Skill Assessment Manager, Team Skill Builder, and Team Needs Analysis** products
- **Lead 14 product owners** while collaborating with engineering and design leadership to optimize delivery velocity

AI Innovation & Impact:

- Architected and launched **AI-first capabilities** including proprietary **Recommendation Engine** and **Auto-Update Assessment Engine**
- Achieved **80%+ AI feature adoption** across internal and customer environments through strategic AI embedding across assessments, workflows, and admin functions

Operational Excellence:

- Implemented **quarterly planning framework** and **structured prioritization methodology** aligned with executive leadership goals

Group Product Manager | CareCentra India Pvt Ltd | Sept 2021 – Nov 2024

Dual-product ownership: Smartfluence (MarTech - US) & MyMobeMap (HealthTech - US)

Multi-Product Leadership:

- Owned strategy and execution for **two major product lines** across different verticals and markets

- Managed **24 engineers, design, QA, and data teams** in addition of **6 PM/APMs** to drive roadmap clarity and delivery alignment
- Partnered with Sales, Customer Success, and GTM teams to refine product positioning and revenue-driving initiatives

Revenue & Growth Impact:

- **Delivered 500% ARPU growth** for Smartfluence through breakthrough **GenAI Scheduler** implementation
- **Achieved 120% WAU increase** in MyMobeMap via AI-powered **PTSD chatbot** and behavioral nudge systems
- **Drove 2.3x growth in in-app purchases** through sophisticated gamification and engagement features

AI Product Innovation:

- Built **AI-led discovery and optimization workflows** improving influencer selection accuracy and campaign ROI
- **Shipped 10+ AI-first features** across personalization, notifications, and engagement funnels

Product & Marketing Head | *DBMCI / eGurukul* | Dec 2019 – Apr 2021

Digital transformation leadership for legacy coaching business

Business Transformation:

- Led complete **digital transformation** of traditional coaching business into scalable learning platform
- Defined comprehensive product strategy, learning architecture, and go-to-market approach for eGurukul app
- **Achieved 3.5x user growth** and **70% revenue uplift** through ML personalization and funnel optimization

Team & Product Development:

- Reduced churn and increased paid conversions through **lifecycle interventions** and **insights-driven iteration**
- Established product-market fit in competitive EdTech landscape

Founder & Product Lead | *Mark N Comm PR* | May 2016 – Oct 2019

Built and scaled digital/PR consultancy serving national brands

Entrepreneurial Leadership:

- Built and scaled **40-member digital/PR consultancy** from ground up
- Designed and launched **proprietary affiliate marketing platform** enabling automated campaign workflows
- Led product scoping, development, and GTM while owning end-to-end delivery for major clients

Product Manager | *Classteacher Learning Systems* | Jul 2013 – Apr 2016

EdTech product leadership and revenue growth

Product Launch & Scale:

- Launched **Classpad and Classmate SaaS**, doubling revenue within three quarters
- Scaled **Chifro Studios educational apps** to **1M+ downloads** and **₹3M revenue**
- Owned requirement definition, UX workflows, and engineering coordination across student, teacher, and school dashboards
